ESI Group continues its commitment to employee work-life balance with 'RECHARGE DAY' 2024

Following the success of its first edition, ESI Group reaffirms its commitment to employee work-life balance with the second annual "RECHARGE DAY." On Friday, May 10, 2024, employees across all 18 countries within the Group will enjoy a dedicated day to recharge their batteries, free from work-related responsibilities.

"Recharge day" underscores ESI Group's dedication to fostering a healthy work-life balance and prioritizing employee happiness. It's a day for employees to unwind, pursue personal passions, and create beautiful memories with loved ones.

About ESI Group

ESI Group, a part of Keysight Technologies, provides reliable and customized solutions anchored on predictive physics modeling and virtual prototyping expertise. Acting principally in automotive, land transportation, aerospace and defense, and heavy industry, ESI software enables engineers to simulate mechanical designs, smart manufacturing processes, and human-centric workflows to make better decisions earlier in the product lifecycle. Keysight is an S&P 500 company delivering market-leading design, emulation, and test solutions to help engineers develop and deploy faster, with less risk, throughout the entire product lifecycle.
